

2013 Vanceva[®] Color Forecast

Producing a broad spectrum of colors and moods that are unachievable using stock selections of glass, Vanceva color by Saflex gives architects and designers more creative freedom with glass than ever before. Vanceva color interlayers can be combined to produce more than two thousand transparent, translucent or opaque color options to help create the desired tone and intensity. When Vanceva color interlayers are combined with tinted or reflective glass, the design possibilities are nearly limitless. For technical information, log onto www.saflex.com/colorforecast

Pretty in Pink (Vanceva Code: 0A1A) A positive reaction to today's atmosphere of uncertainty and negativity, Pretty in Pink casts a warm, cheerful glow to interior spaces that need to balance color and light transmission with a touch of privacy.

Tumeric (Vanceva Code: 1348) This deeper yellow resembles the color in curry. With gold undertones, this natural spice inspired color brings depth and nuance to interior schemes.

Chic Raspberry (Vanceva code: 002C) Is a clear move to a vibrant blue based red. Greatly influenced by consumer trends in fashion and cosmetics it now transcends to interiors bringing a chic energy and vitality to interior spaces.

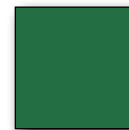

Sun Kissed Coral (Vanceva code: 3583) A warm and inviting orange, this color is perfect in healthcare and assisted living environments. Use in office partitions, as wall cladding, and in foyer installations.

Midnight Blue (Vanceva code: 07D7) Classics endure through this regal blue. A toned down version of Vanceva True Blue, the addition of grey brings the elegance of navy to glass.

Beloved Burgandy (Vanceva code: 7252) Darkened, mysterious, and sensual. Beloved Burgandy echoes the return to decadent fabrics and textiles, seen in fashion. Use this color in entryways and vestibules for the most impact.

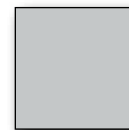

Emerald Green (Vanceva code: 7467) Derived from fashion, jewelry, and art. This fresh, intense classic green is an alternative to hues on both ends of the spectrum. Perfect for facades and curtain walls near mountain and water locations when seeking to eco the landscape.

Elegant Indigo (Vanceva code 0167) This blue enters the palette as a new neutral, becoming a chameleon color that creates balance. Beautiful when used in wall cladding, stair and flooring applications.

Seastruck (Vanceva code: 7267) Inspired by this precious resource, Seastruck is a rich turquoise blue, saturated and unpolluted. This new take on green will bring depth to exteriors.

Ocean Grey (Vanceva code: 000H) The newest addition to the Vanceva color system, Ocean Grey is a blue based grey, that can be used alone, or layered with itself to create a more intense, cooling effect.
